# Live Station

---

A food live station is a designated area at events or establishments where skilled chefs cook and prepare food in front of guests, offering an interactive culinary experience. Found in weddings, parties, corporate events, buffets, food festivals, and upscale restaurants, these stations provide an immersive dining experience, allowing guests to observe the preparation process, interact with chefs, and customize their meals to their liking.

## Popular live stations

Pasta

Pizza

Quesadillas

Street Taco

Mexican Pizza

Sushi\*

Momos & Dumplings

Ramen

Maggie

Dosa
